Submission Etiquette and important information

- We DO NOT accept walk-ins. Submissions must be made through our website.
- DO NOT SUBMIT selfies, pictures you take of yourself in the bathroom mirror, snapchats, screenshots from facebook, twitter or instagram. Do not submit pictures of yourself with other people or pictures that are out of focus. Professional, industry standard headshots will be considered first.
- Talent who either have some industry experience (resume) and/or are currently training at a local studio will typically be given first consideration for representation. (See our resources page for coaches/studios) - <http://coloradomodels.net/Big-Fish-Talent-resources>
- Actor's resumes are very different from business resumes. Please know the difference and format accordingly.
- Denver, Colorado is currently primarily a commercial/industrial market. Talent must be interested in both commercial and film in order to be considered for representation by our agency.
- Representation as an actor/model requires a flexible schedule. If you do not have a fairly flexible schedule, representation may not be the best choice for you at this time.
- If you are planning to move to LA within the next 2 months, please do not submit for representation, as we will not have an appropriate amount of time to market you in this area before you leave.
- Being signed as a talent requires an investment in tools - (headshots, reels, wardrobe, etc.) These are costs that you are required to pay for on your own.
- Talent who sign with us become part of a TEAM. Neither the agent nor the talent is more "important". You represent us just as much as we represent you. We are looking for Talent who will be a good fit to our TEAM dynamic.
- If you do not hear back from us – We make decisions on who to bring in based on current market needs, and who we already do/do not have within our talent pool. You may have a great look/resume, but if we already have 5 talent with a similar casting type, it would likely not benefit you or us to sign you. With that in mind, our needs are always changing. If you are still seeking representation 3 – 6 months after submitting, please feel free to submit again.
