## SUMMARY

Voice acting professional with over ten years experience including pre/post audio recording.

## PROFESSIONAL EXPERIENCE

### Voice Actor

Time For A Voice, Prescott, Arizona

*The voice to advise and entertain, as well as promote a product, service or idea.*

### **Voice actor and audio engineering for radio, TV and non-broadcast productions.**

- Chosen to create a 30 second commercial to be aired for the 2012 Japanese Animation Film Festival at Red Rocks Amphitheater. Completed all narration, video and music for the customer to manage a low-cost production.
- Recorded commercials on a major radio station in the Denver area.
- Hired by a German film production company to be the English voice for a German historical society's history shorts. The purposes of the shorts were for tourism marketing for Dresden Germany.
- Selected to be the voice for the character "The Duke" in the upcoming full-length feature animation film "The Long Dark"
- Selected to be the voice for the character Henry (pronounced Onray) "Slappy" LeMue LaFayette in the sequel video game to "A Moment In Time" from Lassie games "A Stitch In Time"
- Voiced for multiple characters on training videos for Toyota Corporation.
- Audio books "Tracking The Snow-Shoe Itinerant" & "The Needle Tears A Hole"
- Skilled at recording, editing, music and sound effects mixing.
