BIO

My name is Jasmine Greene, (or Jazz, or The Frizz, or anything fun really). I go by Jazzy, and the Frizzle is because I love to wear fun and themed dresses! She/her. I am a BIPOC Voice Actor.

I enjoy entertainment all around! I love anime and movies especially, and going out to do something like bowling or dinner at a small family owned restaurant. I'm also a travel extraordinaire and can do it fairly cheap! Since I enjoy doing something that costs a pretty penny often, I found the way to save my wallet.

My commercial, narration and character demo reels are available on my website, which is listed below. You can also find pictures of my home studio!

If my voice isn't the one you are looking for right now, maybe in the future it might be! I would love to be considered for any future projects that may come across as a fit for my voice.
