

Lynne Ida

Hair: Silver/Black

Eyes: Brown

Height: 5'1

Weight: 110

Age: 65 (can pass for 50)

I have worked in the film/video industry for over 20 years as a Producer and Production Manager. While working on various projects, I was frequently asked to participate in productions as an extra. Having spent much of my career on film sets, I am very aware of set etiquette and the details that Producers and Directors require of their talent. Because of my production experience, I believe I would be an excellent talent extra.
